

GIFT AID IT!

Please make your support worth more simply by ticking this box:

I wish the Hawk and Owl Trust (Registered Charity No.1058565) to reclaim the tax on any eligible present/future/past subscriptions and donations I have made, until I notify you otherwise. I can confirm that I am a UK taxpayer. I understand the charity will currently reclaim 25p of tax on every £1 that I have given.

(To qualify for Gift Aid, you must have paid enough income tax or capital gains tax to cover the amount that all charities and CASCs you donate to will claim in that tax year. Council tax and VAT do not count.)

Our Four Key Areas are:
CONSERVATION, EDUCATION, RESEARCH, and managing our NATURE RESERVES

The Hawk and Owl Trust is a national UK charity founded in 1969 and is dedicated to conserving owls and birds of prey in the wild and increasing knowledge and understanding of them.

We create and manage nesting, roosting and feeding habitats; carry out practical research; and welcome visitors to our wildlife reserves in Norfolk, Somerset and North Yorkshire, education centres and outreach projects.

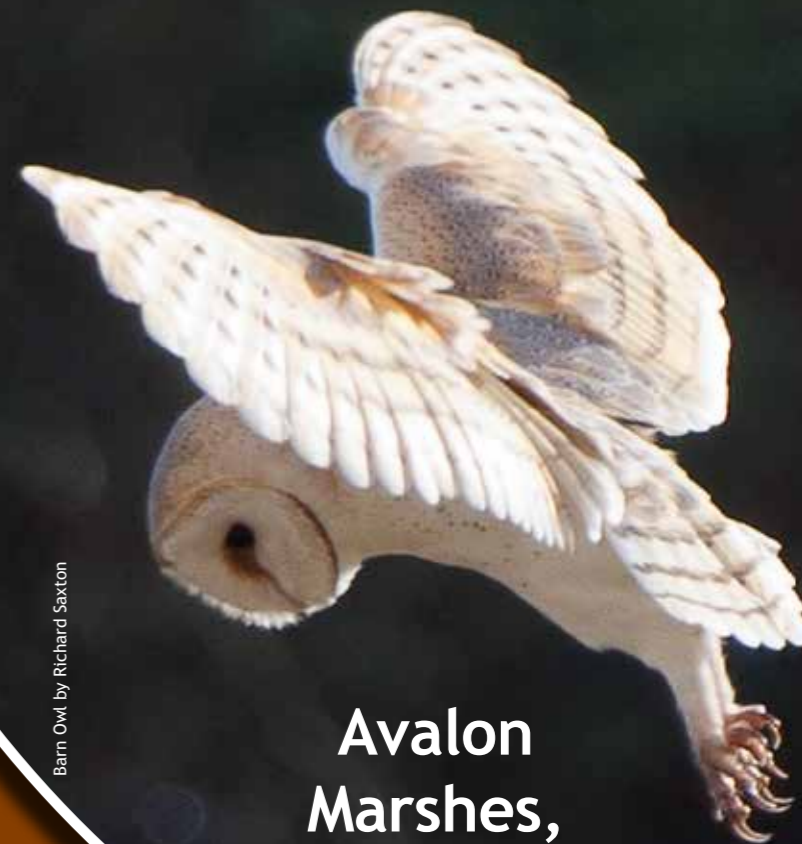

Please help by joining us. It is one of the most effective ways you can help Britain's birds of prey as it provides the Hawk and Owl Trust with regular income to carry out its important work. It also gives us a stronger voice for these charismatic birds.

Hawk and Owl Trust is a Registered Charity No 1058565.
Registered Office: Turf Moor Road, Sculthorpe, Fakenham, Norfolk, NR21 9GN.

Shapwick Moor Nature Reserve

and what your membership helps to support

At the heart of the Somerset Levels lies a beautiful area called the Avalon Marshes: a vibrant working landscape, celebrated for its rich wildlife, heritage and culture.

Shapwick Moor Nature Reserve is part of the Avalon Marshes complex, and was previously farmed, growing a variety of arable crops. Acquired by the Hawk and Owl Trust in 2007, we are carefully restoring it to permanent wet grassland and fen. Returning wildlife is flourishing and each season brings exciting new discoveries.
